Jaysen Dante

Jaysen Dante is the founder and leading journalist of The MediaSen Group. He currently resides in Columbia, South Carolina. He specializes in stories and articles discussing various social issues in the local community, especially related towards the African American and LGBT communities.

About The MediaSen Group

The MediaSen Group was created in October 2015 as a media forum to open discussion on various social issues and topics within the growing diverse communities of South Carolina. The stories and articles presented on the website help to educate and inspire others to reach out and gather more information to help their communities.
